INTERVIEW SUMMARY

A personal interview was conducted on February 16, 2005 with Examiners Dwayne Handy and Jill Warden. The Applicants that attended the interview were one of the inventors, Per Andersson, a representative for the Assignee, Håkan Bergander and two representatives for the Applicants, David Fox and Melissa Acosta.

Applicants thank the Examiners for their time prior to the interview and during the interview.

During the interview, Per Andersson provided a demonstration of microfluidic device. In addition to the demonstration, the Examiners and Applicants discussed the prior art references, including, Kellogg et al., and discussed possible claim amendments.
